REISSUE APPLICATION SUPPLEMENTAL DECLARATION
BY INVENTOR

DECLARATION BY THE INVENTOR

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name, I believe I am the original, first and sole inventor of the subject matter that is described and claimed in letters patent number 5,898,421, granted on April 27, 1999, and in the subject matter claimed in the application

- ☐ submitted herewith
☒ filed on August 17, 2000

and for which invention I solicit a reissue patent.

ACKNOWLEDGEMENT OF REVIEW OF PAPERS
AND DUTY OF CANDOR (37 C.F.R. §1.175)

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, I acknowledge the duty to disclose information that is material to the examination of this application, namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

STATEMENT OF INOPERATIVENESS OR INVALIDITY
OF ORIGINAL PATENT (37 C.F.R. §1.175)

I verily believe the original patent to be:

- ☒ partly
☐ wholly

inoperative or invalid by reason of (37 C.F.R. §1.175(a)(1)):

- ☐ a defective specification
☐ a defective drawing
☒ the patentee claiming more or less than the patentee had a right to claim in the patent.

Errors upon which reissue is based are described as follows:

1) Applicant intended to claim all disclosed embodiments of the invention contained in the application as originally filed, including embodiments of a system operable with an input device comprising an inertial element for translating a displayable object in response to rotation of the input device, but did not adequately communicate his intentions to his attorneys of record in order to attain the scope of claims coverage to which he believes he is entitled; and

2) The attorneys of record failed to appreciate the full scope of the invention.

That the error listed above, which are being corrected, up to the time of the filing of this reissue supplemental declaration, arose without any deceptive intention on the part of the applicant. (37 C.F.R. §1.175(a)(2)).

DECLARATION

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Full name of sole inventor: Thomas J. Quinn
